

Over 4th of July weekend
we returned there with
friends from Pueblo and
another Kansas couple -
all of us avid readers.
We brought several bags
of books and left with
at least as many as we
carried in! What a
wonderful project for
your community to
support! We were
welcomed and assisted
in our pursuit of some
authors/titles.

Keep up the good work.

Dear Larkspur Officials,

I write this note
to both commend you +
thank you for your
sponsonship of the
Book Exchange project.

Earlier in the spring
my husband had
visited there with my
sister-in-law, a Larkspur
resident. He was so
impressed he wanted
to do it again.
