Sir,

I just want to take a moment to say thank you for the show that you, and your assistants, performed two weekends ago at the Ren-Faire out here in Colorado. I'm a combat medic who has been trying to find any enjoyment in life after my tour in Afghanistan, and your show was the first time in several years that I have been able to just let go and laugh freely. You all were masters of physical comedy with amazing audience involvement, and I still find myself smiling from time to time thinking back to your performance.

Thank you for your work, and we look forward to seeing you again.
