

NOTICE OF HEARING CANCELLATION

The Town Clerk has received a letter on behalf the proponents of the referendum inquiring as to the purpose of the protest hearing currently scheduled for Tuesday, December 5, 2017 at 2:00 p.m. The Town Clerk has reviewed the issues raised by the proponents and consulted with the Town's attorney. He is also aware of the Larkspur Town Council's indication that they welcome having this matter resolved by a vote of the registered electors of the Town. Although the Town Clerk has concerns with some of the allegations raised in the protests he received, In light of all the foregoing considerations, he has concluded that the outcome of the hearing would not alter whether the referendum election proceeds, and therefore there is no need to go forward with the hearing at this time.

The hearing previously set for Tuesday, December 5, 2017 at 2:00 p.m. is hereby vacated and the referendum election will proceed on December 15, 2017.
