**Bring your own snacks, drinks, blankets and lawn chairs and enjoy a fun evening at Larkspur Community Park.**

## Emergency Mass Notification System

### CodeRED Emergency Notification System

The Douglas County Sheriff's Office has upgraded its emergency mass notification system. The system, CodeRED, is a high-speed telephone emergency notification service allowing public safety agencies the ability to deliver pre-recorded information to targeted areas within the county. The system may be implemented for child (Amber Alert), wildfires, or any other incident in which residents in the immediate area and surrounding areas would need to take appropriate steps to safeguard life and property.

CodeRED will attempt to deliver the message to each registered number up to 3 times in order to maximize the number of delivered messages. It can deliver the pre-recorded message to a live person or an answering machine. The message will consist of six key elements:

1. Statement that it is a CodeRED emergency message from Douglas County Sheriff's Office.
2. Time and date of the call.
3. Scope of the emergency
4. Area(s) affected by emergency.
5. Action that needs to be taken
6. Directions for obtaining more information.

**NO GARBAGE (I.E. FOOD) IN LARGE DUMPSTER...**

**BEAR SEASON IS HERE!!**

The first Coed Softball League ended on Thursday June 27<sup>th</sup> with Spruce Mountain Wine and Spirits winning the League. The first Coed Softball Tournament was on Saturday June 29<sup>th</sup>, with Fischer Enterprises winning the Championship and the Larkspur Volunteer Fire Auxiliary coming in as the Runner Up. The league was a great success and all the players and teams should be very proud of the results. Every Tuesday night, for the last seven weeks, the Town came together to use our beautiful facility in a very competitive softball league. All players, coaches and fans had a great time.

*The Town of Larkspur would like to give a huge "Thank You" to the Larkspur Fire Protection District for their going beyond their normal scope of work in assisting the Town to reattach the cable chain to the flagpole in the Park and for providing water for the aeration and soil maintenance on the Ball Field and Park lawn*

**The Town would like to recognize the Community Partners noted in the above picture for their continued support to the Park and Community Events. The Mayor and Town Council recommend supporting these businesses and organizations.**
